Shi'a students in Edmonton.

We are members of the community who have remained anonymous up until now. We have found, however that the community is anxious and doubtful when there is no personal name attached to a project. For that reason, we have put forward the name of a coordinator who can be the face of this scholarship. Our contact person is Sabira Devjee, a teacher within the Shi'a community. People can approach her for any questions or to donate to this cause.

The scholarship is open for all Shia students living in Edmonton who attend post-secondary institutions here or out of town, colleges and universities for a Bachelor's, Master's or Ph D. studies.

The scholarship gives you \$ 1000 towards tuition or textbooks related expenses

This scholarship is being promoted in all our different centers and organizations.

Details on how to apply are on the [form](#) .

Deadline is October 15, 2014
